The reading trail template consists of ten empty rectangular boxes arranged in a zig-zag pattern. The boxes are connected by lines that form a continuous path from the top-left to the bottom-right. The path starts at the top-left box, goes down to the second box, then right to the third, then down to the fourth, then right to the fifth, then down to the sixth, then right to the seventh, then down to the eighth, then right to the ninth, and finally down to the tenth box at the bottom-right.
